Pet Palette Announces

*A new simplified way you can earn free shipping...
the Easy Shipping Program!!!*

On July 22nd, Pet Palette will launch our new Easy Shipping Program (ESP)! This new program will give you credit on your shipping costs and promises to be one thing....EASY!

Here's how it works:

If you order \$350 or more with us we will apply 5% of the cost of your invoice to your shipping costs. If your actual shipping costs are under the 5% credit amount...free shipping! If the cost to ship is over the 5% credit you will simply pay the difference.

The Easy Shipping Program only excludes Outlet Mall items so that means great news! You can now apply your credit to all full-priced products..... even ceramics!

- Qualifying orders will be grouped by ship date ie: immediate, prebook, etc. to achieve the \$350 threshold.
- Backordered items, if part of a new qualifying ESP shipment, will qualify for ESP credit.
- Outlet Mall items are excluded from this program.
